error: User modify failed Cannot modify user on this node: OS=FreeBSD: Command not found. OS: Undefined

28 admin September 27, 2024 Common Errors & Troubleshooting 9607

How to solve the error while changing the password on a FreeBSD system?

Overview: This article addresses the error encountered when changing the password on a FreeBSD system.

To solve the error set the root's shell to bash:

```
root@gateway:~# chsh -s /usr/local/bin/bash root
```
