Trial License Vs Paid License

5 admin August 27, 2024 Billing, License 9568

Explanation of trial license and paid license.

Overview: Explaining Ezeelogin's trial/free and paid/leased licenses, as well as customer support details.

What is the difference between a Trial and a Leased/Professional Plan?

1. Trial License/Free Trial

Users can add an unlimited number of servers
The license would be valid only for 30 days
In order to continue using it after 30 days, a user would have to upgrade to a paid plan
Free installation and setup
Free Secondary license

2. Leased License/Professional Plan

Order the license for the number of servers the user intends to manage
The license would renewed automatically every month on receipt of payment
Free software updates and support
Free installation and setup
Free secondary license
Unlimited migration to other IP addresses
24*6 Priority support

BULK PRICING

Direct chat support
Everything in the Professional plan
Standalone license available

Login to the **billing portal** right away!

FAQ:

1. How many servers can be added using a trial license?

Users can add unlimited servers and can avail of full features.

2. Does the user need to pay for the trial license?

No, it's free for the first 30 days.

3. How long is the trial license valid?

The trial license is valid for 30 days.

4. User can upgrade from a trial to a paid license?

Yes, users can upgrade to paid seamlessly without losing any of the existing data.
