Go to https://www.2checkout.com/va/sales/customer/change_billing_method and change the billing to another credit card.

You will be able to use this only if your current payment mode is using a credit card. This will not work if your current payment method is PayPal

Locate order to update

In order to update your billing information we need to locate the sale.

Search by Credit Card

Search for your order using the credit card that is currently billed
