

## Can i install the ssh jumpbox behind a firewall?

13 admin March 9, 2018 [Getting Started](#) 6160

Can i install the ssh jumpbox behind a firewall? What is the ip for which the license has to be issued when my ssh gateway would be installed in a LAN?

Ezeelogin ssh jumphost can be behind a firewall and would work in LAN.

Refer the below articles :

<https://www.ezeelogin.com/kb/article.php?id=113&oid=7>

<https://www.ezeelogin.com/kb/article.php?id=114>

<https://www.ezeelogin.com/kb/article.php?id=52>

Run the command on the ssh gateway server and it would show the ip for which the license has to be issued if your ssh gateway is behind a NAT.
