How to upgrade/downgrade license in old Ezeelogin customer portal?

Overview: This article helps Ezeelogin customers to upgrade or downgrade the license from the old Ezeelogin customer portal.

Step 1: Login into the <u>old customer portal area</u> click on the **License tab** on the left menu and then click on the **Upgrade/Renew** button on the right menu.

Step 2: Enter the new number of servers you need and click **BUY.** If you are renewing, leave the number of server as is and continue with the check out.

Step 3: Continue with the Checkout. Click on the **Change Currency** button on the right to pay with currencies of your choice.
