An error occurred while trying to submit the form

288 Manu Chacko April 17, 2020 [Common Errors & Troubleshooting](#) 2432

Error: An error occurred while trying to submit the form - got this error while saving account > pasword > new yubikey

For PHP < 7.2, needs XML extension is required

Install **php-xml extension** to fix this error

On ubuntu

```
 root@ubuntu:~#
```

On centos

```
 root@localhost:~#
```
