Reasons for Account Suspension

Overview: This article describes the reasons why an account could be suspended.

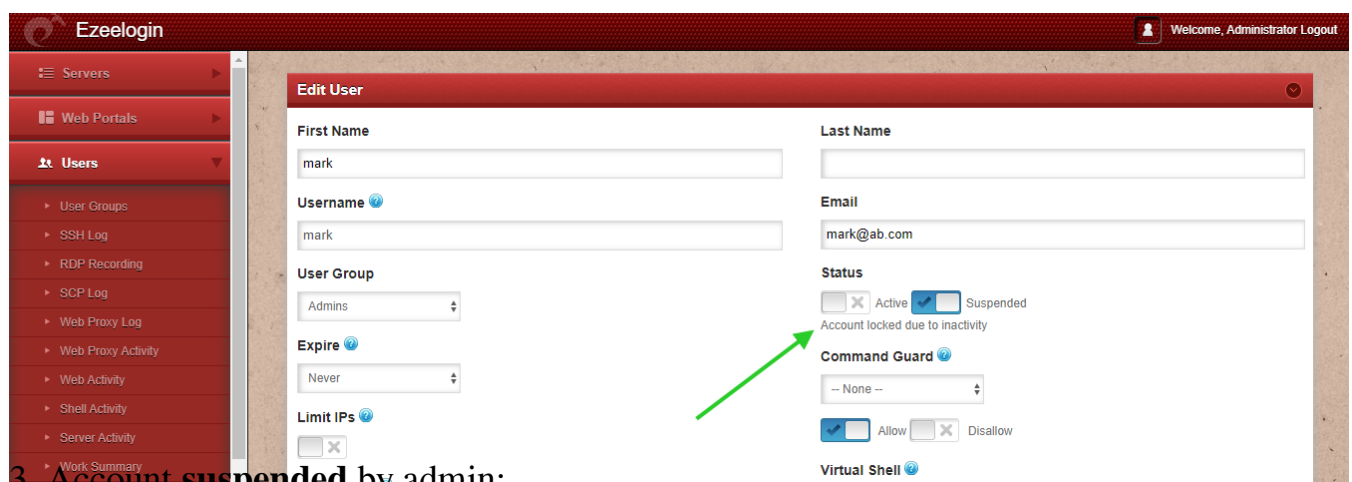

1. Account suspended due to **invalid 2fa or security code**:

- If a user is suspended due to an invalid 2fa or security code, you can view the reason for suspension under Users>Edit User as shown below.

2. Account locked due to **inactivity**:

- If the user has not logged in for the number of days set, it will automatically suspend the user and the reason for the suspension is shown below

3. Account suspended by admin:

- There will be no warning message/reason if the account is **suspended** by admin.
