For PHP version 5.6 to 7.0 (deprecated):	https://downloads.ezeelogin.com/ezlogin_7.27.0_php56-70.bin
For PHP version 5.3 to 5.5 (end of life):	https://downloads.ezeelogin.com/ezlogin_7.10.0_php53-55.bin

NOTE: 7.10.0 is the last version that supports PHP versions from 5.3 to 5.5

NOTE: You can create agent account for anyone who may need to manage your licenses. Every agent can login to the billing system and have the same privileges as your primary agent account to view and manage your licenses, invoices etc. However, saved credit card information cannot be viewed as they are not stored and not retrievable. But the saved card may be used to make payments within the billing system.

4. Provide the number of remote servers you want to manage using Ezeelogin, choose the billing period as monthly, mention the IP address of the primary and secondary to issue license for those servers. Finally, confirm 30 days free trial check box is marked and click on the buy button.
