Pay an active invoice from the new billing portal

Overview: This article helps customers to pay an active invoice from the new billing portal.

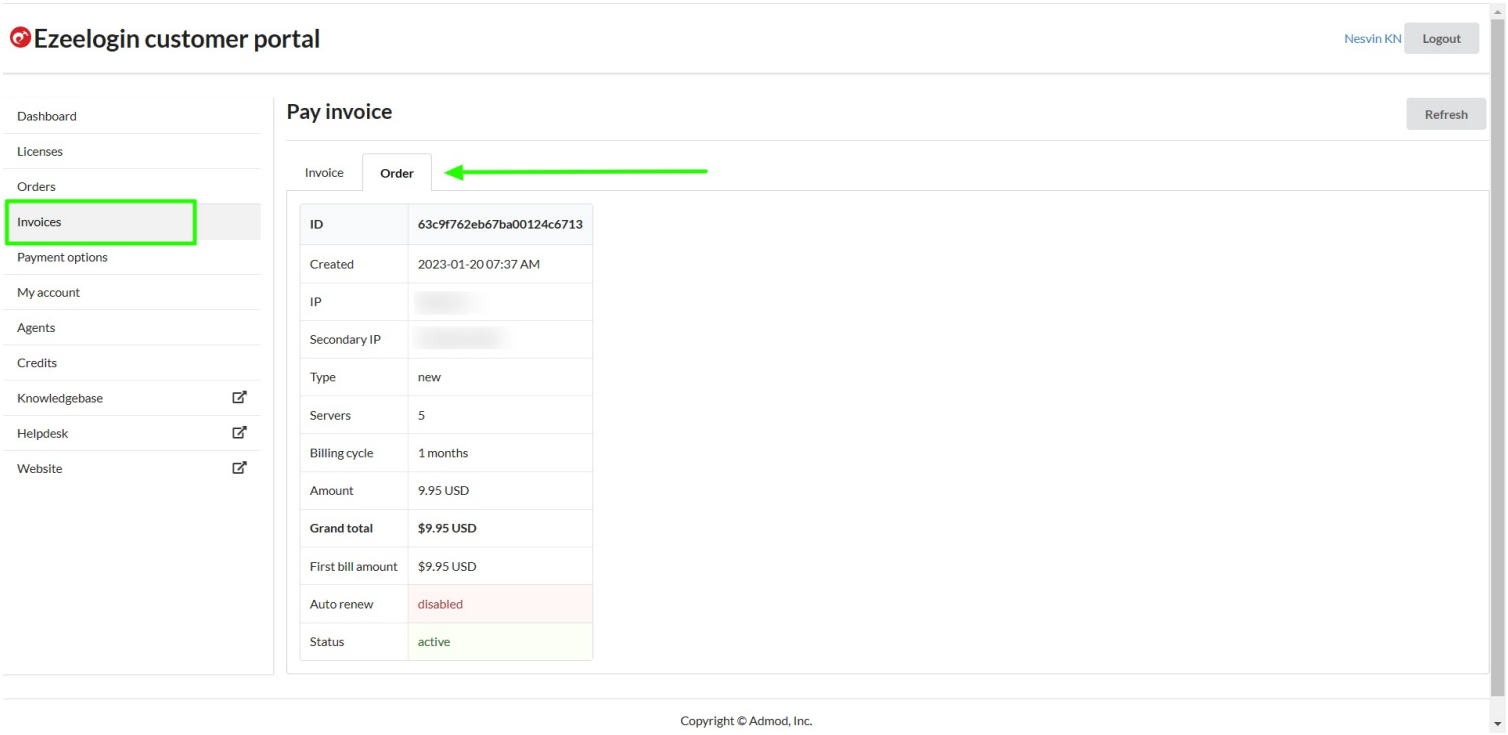

The unpaid invoice will remain active for 5 days. Ensure that payment is made before it expires. If your invoice has already expired, refer to the article below:

How to pay an expired invoice from the new billing portal?

Step 1: Login to the **billing portal area**, click on the **invoice** tab and click on the **pay** button.

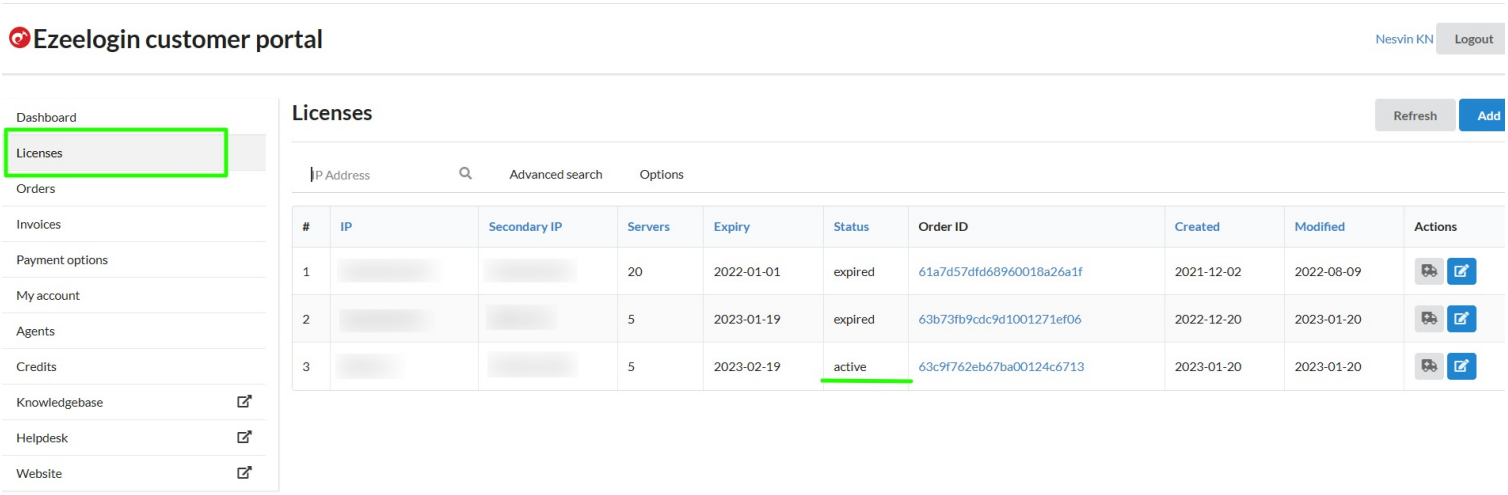

Step 2: Click on the **order** to confirm the **IP address**, **number of servers**, **billing cycle**, **auto-renew**, etc.

Step 3: Click on **Invoice** -> **update card details** -> **enable auto-renew** -> **process payment**.

Step 4: After paying the invoice, click on the **license tab** to view the license. The license will be shown as **active** for the paid invoice.
