How to solve Error: Server login failed. Authentication by SSH key failed!. Remote Error: (1) if: Expression Syntax?

Overview: This article will help the gateway users resolve the error "Error: Server login failed. Authentication by SSH key failed!. Remote Error: (1) if: Expression Syntax."

Step 1: Make sure the ssh user is using the bash shell. Run the below command to display the shell in use.

```
root@remoteserver:~# finger <username>
```

or

```
root@remoteserver:~# grep <username> /etc/passwd
```

Step 2: Run the below command to change the shell.

```
root@remoteserver:~# chsh -s /bin/bash <username>
```
